Costco filed a permit last year to construct a store at the northeast corner of Holderrieth Road and State Highway 249. It will be the first Costco in Tomball.

The 161,131-square-foot warehouse is expected to sit on 25 acres and will also include a 10,000-square-foot Costco fuel station.

Costco is a membership-based wholesale store with a wide selection of products including groceries, home goods and other items. Costco isn't only known for its bulk sales but also has several other departments such as electronics, clothing and a food court.

Dietrich said that the store is expected to create approximately 125 job
